LOOP HEAD FOOD CIRCLE

The Bay View is proud to be a member of the Loop Head Food Circle. The Food Circle is a network which encourages restaurants and businesses to purchase from local suppliers right here on the Loop Head Peninsula. It was founded with an ethos to support those who live & work here on the Peninsula, thus ensuring the continuation and sustainability of our community for generations to come. Our members believe that there is some fantastic produce to be sourced locally, and we are happy to support our Partners, the producers, so please feel free to ask your server where your food has been sourced.
